WORKSHOP**

**EASTER SUNDAY, APR 4, FROM 2 TO 4PM
CARMEL TEMPLE
1208 Pennsylvania Avenue

Tony Burroughs is one of our greatest living storytellers. His stories are always relevant to what's going on in your life and how you can lift yourself up and out of your challenges by becoming proficient at manifesting. He has written seven books including The Intenders Handbook, The Highest Light Teachings, and The Code: 10 Intentions for a Better World. He has also produced 3 movies including his most recent 3 DVD Set, Living by Manifesting. His latest book is The Law of Agreement and it is available at www.intenders.com.

The What's Going On and What You Can Do About It Workshop will deal with the changes we're all going through as we prepare ourselves for the exciting times ahead. Tony will be presenting cutting-edge stories from his newest book, *The Law of Agreement* and he will lead an Intenders Circle at the end of this event.

“The change that is upon us is one of perception – our perceptions are being enhanced, our intuitions are awakening, our hearts opening. It is a change of consciousness, of the way we look at the world, of the world itself appearing fundamentally different than it does today.”
